

## BOP20 BATTERY OIL PUMP

Freedom. That's what it is, freedom. There's never been a smarter oil pump. Designed and manufactured in Australia, the Macnaught BOP20 is a portable and rechargeable, 18volt battery operated oil pump, designed to improve workshop efficiency and reduce fatigue with the click of a button. Simple but clever, the BOP20 powerhead can be transferred across multiple pump stems to reduce set-up costs and the 'on-demand' flow nozzle allows full control over oil delivery with flow rates up to 3.5L/min. Single-handedly, it will improve the workflow in your workshop.

**BOP20**  
BATTERY OIL PUMP

**Easy control nozzle**  
Simple single handed 'on demand' flow nozzle

**Easy portable Powerhead**  
Single Powerhead for multiple pump stems

**New modular concept**  
Sealed wetted parts for zero contamination

### FEATURES & BENEFITS

- Sealed wetted parts - zero contamination
- Separate Powerhead - multiple oils with one Powerhead
- 18v rechargeable 2.0Ah battery delivers up to 105ltrs
- Oils up to SAE90 - most under car applications
- Flow rates up to 1 GPM
- Safety lockout carry handle for simple Powerhead transfer
- On-demand flow control
- No more pumping by hand alleviating fatigue and other WH&S issues

### TECHNICAL SPECIFICATIONS

- Compatible fluids - Lubricating oils
- Flow control - On demand
- Drum size - Nominal 5 gallon
- Delivery rate - Up to 1 GPM
- Lubricant range - 0W40 - SAE90
- Priming - Self priming
- Battery - 2.0Ah Li-Ion
- Charger - 1hr fast
